

QUALMARK 4-STAR RATING FOR ROTORUA HOTEL!

We're pleased to announce that Jet Park Hotel Rotorua has been awarded a Qualmark 4-Star rating. Congratulations to Hammond, Hotel Manager and the team for all the hard work that has gone into achieving this fantastic new status for the hotel!

"It means a lot to the team to achieve the 4 star rating after all the hard work over the last year to bring the property up to standard and it gives our guests the knowledge that our Hotel is now rated against the nationally recognised standards backed by Tourism New Zealand. We're a great property in the heart of Rotorua and take pride in being able to showcase our wonderful city." Hammond Cardon, Hotel Manager, Jet Park Hotel Rotorua

SUPPORTING SPCA FOR CUPCAKE DAY, AUG '16

**SPCA** Auckland The Jet Park Hotel teams at both our Rotorua and Auckland hotels all got into the spirit of Cupcake Day in supporting the fundraising efforts of SPCA Auckland. Staff and family decorated the 1200 cupcakes that Pastry Chef Jiemin Aw made at our Auckland hotel and a further 400 cupcakes were decorated and 'sold' at Jet Park Hotel Rotorua. You can view the video and story on our Facebook page- search 'Jet Park Hotel'.

ROTORUA EKIDEN TEAM MARATHON RELAY

The Rotorua Ekiden Relay is an annual team relay run on the roads encircling Lake Rotorua. The Ekiden relay consists of 3 to 6 team members running a total of 42.2kms (the full marathon distance) but wearing a traditional Japanese tasuki sash instead of carrying a baton. Featuring the Fancy Dress World Champs, it is the best day out with friends, family or workmates!

"Thanks to both teams from Auckland and Rotorua Jet Park Hotels for taking part in the Ekiden Relay Race this year. We had a total of 12 runners across all age groups and departments and families, who got out there on the day and made the most of the great weather and beautiful scenery around Lake Rotorua. Next year it's "fancy dress" for sure." Hammond Cardon, Hotel Manager, Jet Park Hotel Rotorua

HOW CAN YOU HELP?

- You may wish to help save water by turning off the tap tightly and avoiding leaving water running.
- If you are staying with us for several days, please feel free to decline a towel change from our housekeepers.
- Please leave any recyclable waste e.g. paper, newspaper, magazines, any glass or plastic bottles beside the bin in your room to be included in our recycling system.
- Room key cards: These are designed to control the lights in your room, so that when you're out, lights are off to save power. You may also wish to consider turning off your TV and heating/cooling too, when not in the room.
- If you're walking on New Zealand's beautiful trails/bush walks, always wear clean shoes and use shoe spray stations to prevent the spread of 'Kauri Die Back Disease'.

AUCKLAND'S NEWEST CONFERENCE CENTRE OPENS ITS DOORS!

After 18 years in operation Jet Park Hotel, Auckland Airport has opened a new 250 person conference centre and a further 60 guest rooms. The ambitious undertaking brings the 4-star plus hotel's room capacity to 222 and it now features an ultra-modern multi-level conference complex complete with a ballroom, multiple conference rooms, and a 5th floor complete with a private bar and magnificent views to Rangitoto. Guests can enjoy break-out to a beautiful landscaped garden and an outdoor deck overlooking a pond/wetland area. The venue offers a close location to Auckland Airport with complimentary 24-hr shuttle bus, free car parking, and superb food and beverage options. Uniquely, the new facility and guest rooms can also be hired out entirely for exclusive use by one client. It includes its own restaurant and coffee bar, reception desk, and a range of flexible conference spaces. Says General Manager, Jeeva Jeevanathan, "This development will be immensely important for a number of reasons. Our existing precinct is growing in popularity for meetings. It's very convenient for people to access from all around New Zealand. Our additional rooms are timely with the shortage of rooms in the area very much in the news."

The new conference centre was opened on the 15th July at a gala-dinner attended by those central to the build and fit-out, the hotel's loyal long-term suppliers, staff, industry guests and dignitaries Sir George from Villa Maria and Bob Kerridge from SPCA Auckland. The evening was a great success, MC being youngest son of Liz

Herrmann and former hotel GM, Sebastian Herrmann. Guests enjoyed a "movable feast" across the various spaces and levels of the new building finishing on the upper floor with live music, dessert and a cake cutting to commemorate the hotel's 18th birthday.

Liz Herrmann, Director says, "We wanted a modern, highly functional building which is located close to the existing building, a design that both incorporates our current buildings, but provides a renewed profile to the whole site. We sought flexibility for conference space and set-ups, a beautiful green space, modern building with state of the art technology and a magnificent new commission by sculptor James

Wright and new sculptures by Rex Homan which links the new with the established buildings." The new conference centre was a joint project with Watts and Hughes, architectural and design work by Joey Cordero, engineers Envivo and many of the hotel's long-term suppliers contributing- including Ward Chandler (electrical), Chenery Plumbing, Titan, Panasonic, Burns and Ferrall and Basically Floors. At the gala dinner Liz Herrmann celebrated the many long relationships of what she describes as "the greater Jet Park family". Many of these suppliers contributed to the original build and the subsequent expansion projects.

## EVERY CHILD IS AN ARTIST. *Pablo Picasso*

The hotel is a family business and the project has been a very hands-on experience for all with son Ashley Schierhout being project manager for the entire build, overseeing the details as well as the greater vision. In keeping with previous art work created by her, daughter Sonja Herrmann has used original creations of the staff's children and re-interpreted their works onto canvas for a unique art installation adorning the new guest wings and floor lobbies. In addition Sonja has orchestrated the Human Resources and Marketing for the hotel. All the hotel's department heads have contributed greatly in the process and everyone is immensely pleased with the outcome.

The hotel has grown in several stages since it first opened in 1998 with 90 rooms, adding a 45 room wing in 2004, then a further 45 room wing

in 2008. The business has achieved 4 star plus and Qualmark Enviro-Gold standard and won several awards over the years for excellence across different aspects of the operation. In November 2015 it also opened a hotel in Rotorua, Jet Park Hotel Rotorua. With the years of planning and 18 months of construction at an end the hotel can proudly stand by its accomplishment which has expanded the opportunity for conferencing near Auckland Airport, provided 40 new jobs, and channelled an enormous amount of creative energy and challenge for staff. Jeeva Jeeva-Nanthan says, "Anyone can build a hotel, but it's the service that makes the difference and it's our staff that make the difference for us. We put a lot of time and effort into our staff and as a result we have low staff turnover and we have the core principles of service right."
