Meet the Jet Park Hotel Team.

Our HR team have been extraordinarily busy sourcing 40 new staff to help man our expanding Auckland operation- housekeepers, chefs, wait-staff, front-office people, and more! A recent open day brought over 170 potential candidates through our doors.

Human Resources Team, based at Jet Park Hotel Auckland Airport

Hiring staff with passion for service and the right attitude is the key. The hotel offers an in-house training programme enabling staff to get National Qualifications in Hospitality while working, one of the factors we think contributes to a lower turn-over rate than usual in this industry.
